

# FLOORMAT

products with purpose.

Provides an EPA Registered, NSF Certified Disinfecting Service that has been approved by the EPA to kill the Coronavirus.

Our product, Vital Oxide has been approved by the EPA for use against SARS-CoV-2, the Coronavirus that causes Coronavirus Disease 2019 (COVID-19). We meet the EPA's emerging pathogen requirements for viruses showing efficacy against envelope and non-envelope virus, both large and small.

Our fogging service utilizes Electrostatic Foggers that disperse our product at under 15 microns, ensuring safe and effective protection of computers, keyboards, and sensitive equipment while protecting your employees.
