

## COVID-19 Vaccine Fact Sheet

### Ohio Phase 2D COVID-19 Vaccine Distribution

Governor Mike DeWine has announced that Ohioans 16 and older will become eligible to receive the COVID-19 vaccine under **Phase 2D** of Ohio's vaccination program beginning Monday, March 29, 2021.

#### **Phase 2D**

As vaccine supply is becoming more widely available, COVID-19 vaccinations will be open to people 16 and older beginning Monday, March 29, 2021.

With parental or legal guardian consent, individuals ages 16 and 17 will be eligible to receive the Pfizer vaccine, which is the only COVID-19 vaccine currently authorized for use under age 18.

#### **How to find vaccine providers, schedule appointments**

Ohioans can find providers participating in Ohio's Vaccine Program the following ways:

- Ohio's new vaccine appointment scheduling system, [Vaccine Management Solution \(VMS\)](#) – This one-stop resource for patients beginning the vaccination process will allow Ohioans to determine eligibility, find a provider, schedule appointments, submit health information, and receive updates and reminders. Visit [gettheshot.coronavirus.ohio.gov to get started](#). Find frequently asked questions, facts and training materials on the [Get the Shot page](#) at [coronavirus.ohio.gov](#).
- The **COVID-19 Vaccine Provider Locations** directory at [vaccine.coronavirus.ohio.gov](#) is a resource that shows providers who have received shipments of COVID-19 vaccines. The COVID-19 Vaccine Provider Locations directory is searchable by county and ZIP code.
- In addition, vaccine supply is also available through the [Federal Retail Pharmacy Program for COVID-19 Vaccination](#). Eligible Ohioans who want to find a participating pharmacy should visit the Centers for Disease Control and Prevention's [VaccineFinder](#). This is a free, online service.

*Created March 16, 2021.*
