Businesses of Solon,

I realize we are all facing something unique and unprecedented. I would imagine many of you are struggling to keep your business as "normal" as possible right now, and I am offering a little help should you need it.

For the next few weeks, seeing as we don't yet know how long we will be operating as we are now: If there is something I can provide for your business, please just let me know. Mainly I am looking to donate some of our print services. If you need a yard sign, a poster mounted and laminated, or even a reasonably sized banner, just ask and it's yours.

These products are to help advertise the fact that YOU ARE STILL HERE! Still available to serve the people of our community, and still working day to day to help make a difference. Perhaps you are offering a creative alternative to the normal shopping experience and need help communicating your message. Maybe you are discounting services to help drive traffic and sales. Whatever the case may be, I am more than willing to use supplies from my store, and donate the time of my print associates, if it is going to help you succeed and survive this economic set back.

If you can think of a way that I can help, just reach out to me personally, or contact my Operations Manager, Pamela Dixon and/or my Print and Client Supervisor, Randy Krakora. If the request is reasonable, there will be absolutely no charge. This is a gift to all of you for all the hard work you are putting in each day, and we feel it is the least we can do to help out.

I wish you all good luck and continued success. I hope to hear from you soon.

Carlton Gonzalez
