

COVID-19 Vaccine Fact Sheet Eligibility List

Ohio plans to provide COVID-19 vaccine to anyone who chooses to receive it. Because supply has been limited, vaccine initially has been reserved for certain higher-risk groups, based on age, occupation, living status, or medical history. See below to find out if you are currently eligible for COVID-19 vaccine in Ohio.

Eligibility will expand on March 29 to anyone who can safely receive a vaccine. To schedule an appointment when you are eligible, visit Ohio's [Vaccine Management Solution \(VMS\)](#).

AGE-BASED ELIGIBILITY

- People age **50 or older**.
- People age **40 or older**, beginning March 19.
